

Soundex S300

Active desktop speakers

Bring better sound to your TV, PC and mobile devices.

These compact stereo speakers deliver clear, powerful sound for watching, gaming, working and streaming. Easily connect your TV, computer, smartphone or tablet and enjoy richer sound every day. Stream your music wirelessly via Bluetooth, make hands-free calls and add a subwoofer for more bass.

- Active stereo speakers, no need for an additional amplifier
- HDMI ARC and optical input to connect with any TV
- Can be controlled with your existing TV remote
- USB for use as PC speakers
- Bluetooth for wireless music streaming from any device
- Including remote control
- Subwoofer output for system expandability
