Get more out of your Sonos Play:3

Integrate your Sonos Play:3 speaker seamlessly into your interior design by placing it on a Vogel's SOUND 4303 floor stand. With a height of 82 cm, the floor stand raises your speaker to ear level when you're seated - which is where speakers sound best. Your speaker can be mounted horizontally or vertically to create the perfect Sonos listening position anywhere in the room. The Vogel's floor stand provides secure support for your Sonos Play:3 and comes in black or white to match the colour of your speaker. Installation is easy, thanks to a pre-assembled speaker interface and integrated extension power cord.
