Key Benefits

- Height adjustment range of no less than 980 mm
- Movement speed of 80 mm/s for the heaviest screens with QuickRise™
- TÜV and CE certified
- Lock your TV with a single click through ClickLoc™
- Integrated cable management (CIS®)

Adjust your screen to the right height smoothly and safely

The RISE 2008 motorized display lift floor-wall solution holds interactive flat panel displays up to 86" (max. 140 kg). Effortlessly reach the right height at a speed of 80 mm/s with QuickRise™. A travel range of 980mm is suitable for very low or high positions.

Safety first

The floor and wall mounting ensures that it will be solidly fixed in place in any room. All Vogel's display lifts comply with the highest international safety standards of TÜV and CE (UL and GS on request).

Sustainability is a key component of the RISE Series display lifts. Vogel's offers an endurance tested design of the display lift of over 30,000 cycles. No EPP | EPS is used in the packaging. There is also a reduction of 85% single used plastic in the packaging. This keeps waste streams to a minimum.
