

## PPA 903 Control pad for RF remote control kit

Article number (SKU)  
Colour

7099081  
White

The wall mounted RF remote control pad can be used in addition to the PPA 902 and PPA 902-120V RF remote control kit. The control pad can be installed as a wall mount. It is an RF transmitter operated by batteries so that the remote control pad can be installed everywhere inside the room without cabling. It can be useful as a second transmitter in case of empty batteries or loss of the first remote
