

SAVA 1022 Smart AV wireless HDMI transmitter/receiver

Article number (SKU)
Colour

8310223
Anthracite metal

Key Benefits

- Connect HDMI equipment wirelessly to your TV in full HD quality
- Everywhere HDTV without the need to lay cables
- Wireless HDMI signal transmission (up to 50m)
- Watch the same content in two locations at the same time

Sends a duplicate wireless HDMI signal from one AV device to the other without the need for additional connections. HDMI extender transmits the signal digitally

The SAVA 1022 provides wireless HDMI transmission throughout your home between different AV devices, including your smartphone. Supports full HD (1080p), HDCP and fully connects to all HDMI versions. Wireless range up to 50 metres.

Mount the second TV wherever you like

The SAVA 1022 transmits the TV signal digitally from one TV to a second TV without any delay or loss of quality. Or stream the contents of your decoder, PC or Blu-ray player in HD quality to a second TV, anywhere in your home. Fewer cables, more options. All that is needed to connect the second TV is a single power point and the SAVA 1022. That saves a lot of cables around the house! The signal from one AV device (e.g. a TV/PC/decoder) is transmitted to the second AV device via a wireless HDMI transmission. The Quality Signature. When you purchase one of Vogel's SAVA products, you are always guaranteed quality and innovation. Smart and sustainable products that do what they are supposed to do. As part of Vogel's 'Quality Signature', you can always count on: reliability, design, innovation, ease of use and ease of installation.
