

## ESSENTIAL T1031 Display trolley

### T 1031 – Compact Display Trolley – Practical, stable and versatile

This compact display trolley is specially designed for conference rooms, auditoriums, meeting rooms and educational settings. Suitable for screens with a maximum VESA of 600 x 400 mm and a load capacity of up to 50 kg, this trolley offers stability and reliability. Comes with accessories including a camera/speaker holder, practical laptop holder, accessory holder and integrated cable management for tidy installation. With a maximum screen height of 1700 mm (centre screen), you can have your screen positioned at the ideal viewing height every time. The four sturdy, braked wheels ensure that moving is easy and safe. Reliable performance for medium screen sizes.
