- Fully integrated Cable Inlay System (CIS®) - Connect, protect and hide your cables from wall to TV
- 7 programmable presets
- Make your mounting system complete with a matching aluminium cable column

Motorized wall mount with unsurpassed design

The SIGNATURE MotionMount PRO wall mount is Vogel's flagship model. In terms of design, technical ingenuity and ease of use, this motorized mounting system outperforms any other wall mount. A motor can turn the wall mount up to 120° (depending on the screen size) and it is suitable for screens from 40 to 77 inches in size and weighing up to 35 kg. Equipped with Ethernet and RS-232, this MotionMount PRO is ideal for applications in upscale office, hospitality and hotel environments.
