

## S092.1500.2 Display Indoor Housing, 50-55"

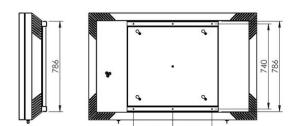

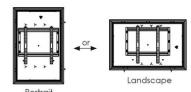

To protect a display, there is a complete line of monitor enclosures (50-55 inches) both for indoor and outdoor use. The enclosures have a hinged front with toughened safety glass in an extra-clear quality as standard. The outdoor enclosures feature active ventilation, thermostatically controlled heating and a dust filter. A provision for wall mounting and a multi VESA display mounting are included as standard.
