

TVM 7675 Motorized TV Wall Mount (black)

Key Benefits

- Turns automatically and through Siri Voice/Shortcuts, app or remote control
- Our most innovative design to date - stylish in any interior
- Fully integrated Cable Inlay System (CIS®) - Connect, protect and hide your cables from wall to TV
- 7 programmable presets
- Make your mounting system complete with a matching aluminium cable column

Motorized TV mount with unmatched design

The SIGNATURE MotionMount TV wall mount is the absolute top model from Vogel's. The motorized TV wall mount automatically turns toward you when you turn on your TV. The refined design blends seamlessly with large, ultra-slim TVs, such as OLED and QLED TVs. You can operate the wall mount via voice, app or remote control. The wall mount is suitable for screens from 40 to 77 inches in size and with a maximum weight of 35 kg. You can turn your TV up to 120° for maximum viewing pleasure.

mm/inch
