

Floor lift on wheels

062.7205B Floor lift on wheels incl. anti-collision, max. 86 inch, 120 kg - BLACK

This black trolley offers thanks to its double columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client.

This product can easily be combined with the floor lift accessories (for example five surface solution, soundbar bracket or a compact lockable cover). For easy handling, a set of handles is available as an accessory.
