

# **S052.7110 Motorized Display Lift Floor-Wall Solution XL**

**Motorized Display Floor-Wall Lift XL** for powerful and flexible installation The Motorized Display Floor-Wall Lift XL is the ideal solution for mounting large displays easily and safely. With an motorized height adjustment of 600 mm and a universal VESA display mount, this lift is suitable for most VESA patterns. Installation is quick and easy: mount the lift close to the wall and secure it firmly with the adjustable wall mounts. Advanced functionality With the included remote control, you can easily adjust the screen to the desired height. Behind the display mount, space is reserved for placing a mini-PC. A special mounting pattern is integrated for PCs with VESA 75/100, so you can store your equipment neatly and efficiently.

The logo for Smart Metals Mounting Solutions. It features the word "Smart" in a blue, sans-serif font above the word "metals" in a larger, bold blue, italicized font. Below "metals" is the tagline "MOUNTING SOLUTIONS" in a smaller, all-caps, blue, sans-serif font.
