

PFW 5870 Display video wall module fixed

Article number (SKU)
Colour

7358700
Black

The PFW 5870 Fixed Flat Panel Video Wall Mount is a video wall mounting solution which features multi-monitor stacking, open design, a built-in kickstand for easy service access, custom spacers and top-adjustable mounting brackets with convenient adjustments along the x,y, and z axis for easy panel alignment. The PFW 5870 may be used instead of the PFW 6870 in areas of a video wall where pop-out functionality is not required.

Optional dedicated spacers dramatically reduce installation time. Spacers are available for the most used video wall displays or monitors.
