

RISE WBS65 Whiteboard set 65" for RISE 2xxx & RISE 4xxx

Article number (SKU): 7300650
Colour: White

Tender specifications

FEATURES: TÜV-5 tested with 5 times the nominal weight, or on a 10 degrees slope with whiteboard wings pointing forward; 5-year warranty on mounting system; 25-years warranty on enamel steel; break-proof up to 75 kg load (e.g., if a child hangs on it, concerning NEN EN 14434); hinges developed in-house by Vogel's; permanent friction hinge, even after 5 years. hinge is easy adjustable so the hinge maintains friction to preserve the writing experience in every position, assembly in 15 minutes (without a lift); can be installed by one person, including hanging the whiteboard wings; scale indicator for horizontal and vertical adjustment, repeatable for multiple installations with the same screen; display can be removed from the lift system independently of the whiteboard wings (e.g., for service or replacement); whiteboards can be removed by one person without removing the display; universally applicable for 65, 75, and 86-inch displays; magnetic closure when closed;; adjustable friction hinge: can be written on even with the whiteboard wings open without the writing surface giving way; sustainable packaging: exclusively cardboard packaging; specially developed for the RISE floor-to-wall solution;

Article number (SKU): 7300650

Colour: White

Key Benefits

- 3 step installation in 20 minutes
- For mounting on the RISE floor-wall solutions
- For mounting on the RISE trolley, floor stand

Whiteboard set for 65" screens

The RISE WBS65 whiteboard set is a universal system, suitable for all types of 65" (interactive) displays. This accessory allows you to mount a whiteboard to the left and right of your 65" screen. The enamelled steel boards are attached top and bottom on a Vogel hinge, which retains friction and writing stability even after frequent use. Nonetheless, should the friction become less than desired over time, the hinge can easily be adjusted.

FEATURES: TÜV-5 tested; 5-year warranty; break-proof up to 75 kg load (e.g., if a child hangs on it); hinges developed in-house by Vogel's; assembly in 15 minutes (without a lift); can be installed by one person, including hanging the whiteboard wings; display can be removed from the lift system independently of the whiteboard wings (e.g., for service or replacement); universally applicable for 65, 75, and 86-inch displays; horizontal and vertical adjustment for perfect alignment with the display; magnetic closure when closed; adjustable friction hinge: with permanently consistent friction, even after 5 years; adjustable friction hinge: can be written on even with the whiteboard wings open without the writing surface giving way; sustainable packaging: exclusively cardboard packaging; specially developed for the RISE floor-to-wall solution;
