

ESSENTIAL T1021 Display trolley

T1021 – Robust Display Trolley – Tough, versatile and reliable

This sturdy display trolley provides optimal support for large screens, ideal for conference rooms, auditoriums, meeting rooms and educational settings. With a maximum VESA of 1100 x 600 mm and a load capacity of up to 120 kg, this trolley combines strength with mobility. Fitted with useful accessories including an accessory shelf, accessory holder and cable management clips to keep everything neatly organised. With a maximum screen height of 1541 mm (centre screen), you can have your screen positioned at the ideal viewing height every time. The four sturdy, braked wheels ensure that moving is easy and safe. Reliable performance for large screen sizes.

ESSENTIAL T1021 Display trolley
