

RISE 5205 Motorized Display Lift Trolley 50 mm/s (black, UK)

Key Benefits

- Height adjustment range of no less than 980 mm
- Movement speed of 50 mm/s for the heaviest screens with QuickRise™
- TÜV, CE, UL and GS certified
- Specially designed foot for extra safety
- Anti-collision on the display lift prevents damage

Screen moved smoothly and safely to the correct height

A RISE 5205 motorized display and TV lift trolley is suitable for displays of up to 98" and 120 kg max. The lift raises the screen smoothly, quickly and safely at a speed of 50 mm/s with QuickRise™. With a 980 mm travel range the lift is suitable for both very low and high positions. The top-down assembly ensures quick installation. We offer a 5 year guarantee. Safety first Vogel's display lift systems comply with the highest international safety standards of TÜV, CE, UL and GS. Although they are programmed for 86-inch screens, these motorized lift systems can be used for most 98" monitors. A small software adjustment (height adjustment) may occasionally be required (see user manual).
