Key Benefits

- Adjustable in height up to 65 cm
- Solid construction
- Suitable for heavy displays

Interactive displays are very popular for education and business use. For different length of users the height needs to be adjusted. As interactive displays are heavy a motorized trolley or wall mount are the perfect ergonomic solution for this. PFB 3402 / PFB 3405 not possible.

Two internal motors give the PFTE 7111 display trolley a height adjustment range of 65 cm. The trolley includes a lockable cabinet for a PC, cable socket and excess cable. The wide wheelbase and large casters make it very stable and safe. Add the Connect-it display interface matching the display of choice. The display interface is not included as it varies for each display.
