With this accessory, you can mount a whiteboard to the left and right of a 86-inch display. The enamel steel boards feature hinges developed by Vogel's. As a result, the whiteboards do not spontaneously open, even after frequent use.

Easy to install

The adjustable hinges on this accessory set allow you to vary the depth, height and width so that the whiteboards always fit the display, whatever display you are using.

Sustainability is a key component of the RISE Series display lifts. Vogel's offers an endurance tested design of the display lift of over 30,000 cycles. No EPP | EPS is used in the packaging.
