

PLW 8604H3 Interface, H3, Barco TruePix wall

Key Benefits

- Easy install
- Modular
- TÜV-5 certified

The PLI 8604H3 is an interface for mounting a DvLED video wall. This interface enables three Barco TruePix DvLED cabinets to be installed with one above the other. This interface can be mounted to the PLW 8601 or 8602. The product can also be combined with the other interfaces in this series. This allows for any desired configuration to be installed on a wall! The products in this series provide a wall solution that is ADA compliant.
