

RISE A 162 Longer wall mounts 13–19 cm for RISE 200X display lifts (white)

Key Benefits

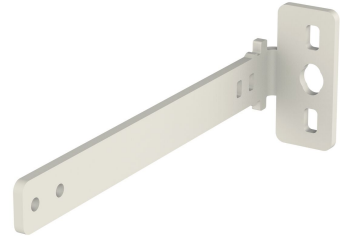

- Quick and easy installation
- Complete your RISE Display lift with handy accessories

RISE A 162 wall mounts can be used to mount a RISE 200X display lift further away from the wall (13–19 cm). This might be necessary, for example, to accommodate wider cable covers (mainly seen in Germany and the USA). The RISE A 162 set consists of 4 brackets, available in black and white.
