

ESSENTIAL FL1200 Motorized display lift, floor-wall

Key Benefits

- Anti-collision on the display lift prevents damage
- For displays up to 98 inches
- TÜV and CE certified
- Accessibly priced

The ESSENTIAL FL 1200 motorized display lift combines travel range, security and a sleek finish. Suitable for displays up to 98 inches. Ideal for classrooms, meeting rooms and reception areas. This display lift is mounted tightly against the wall. You can then easily set the right viewing height. Always the right viewing height You can adjust the screen height effortlessly within a range of 850 mm. At the touch of a button, you can easily move the screen to a height where the centre of the screen reaches as high as 1.80 m. The 50 mm/s lift speed ensures smooth movement. Perfect for situations where multiple users are working with a single display."
