

## ESSENTIAL T1011 Display trolley

### T1011 – Compact Display Trolley – Practical, stable and versatile

This compact display trolley is the perfect solution for conference rooms, auditoriums, meeting rooms and educational settings. With a maximum VESA of 900 x 600 mm and suitable for screens with a load capacity of up to 80 kg, this trolley combines stability with mobility. Comes with useful accessories including an accessory shelf, accessory holder and cable management clips to keep everything neatly organised. With a maximum screen height of 1410 mm (centre screen), you can have your screen positioned at the ideal viewing height every time. The four sturdy, braked wheels ensure that moving is easy and safe. Reliable performance for medium screen sizes.
