

PUC 2130 Pole 300 cm

Article number (SKU) 7221304
Colour Silver

Key Benefits

- Cable management
- Modular

The PUC 2130 is an 300 cm pole and is a part of the modular Connect-it system with which you can create your own ceiling solution for small- to medium-sized displays.

The PUC 2130 is equipped with a double cable duct system with which you can quickly and simply ensure that all cables are concealed. The pole is made of aluminium and, therefore, it can be easily cut at the required length. Therefore, combine a pole with one of the Connect-it ceiling plates or the truss adapter and a Connect-it interface for a complete ceiling solution.
