

MOMO C203 Adapter for Interface Bar Components (white)

Key Benefits

- Height Adjustable
- Suitable for one, two or a whole series of monitors
- Easy install
- Flexible modular system
- TÜV certified / 10-year guarantee

Build your ideal monitor arm. The MOMO C203 Adapter for Interface Bar Components is part of MOMO Motion and Motion+. Specially designed for mounting the monitor arm or interface onto the interface bar. Endless possibilities. Create a multi-monitor set-up with just a few components. Including both straight and angled positions. MOMO monitor arm accessories and components are installed using just one allen (hex) key, cleverly integrated into the product. So you'll always have the right tool at hand.
