The perfect entertainment system

. What does the perfect entertainment system look like? Beautiful entertainment starts with Vogel's DesignMount and continues with Vogel's Cable Column, AV Multi Support or Universal Sound Bar Mount. This entire system goes together to create a unique focal point on the wall that looks great and works fantastic.

The advantage of Vogel's AV Multi Support NEXT 7825 is its broad shelves. These give you a sturdy piece of furniture to hold your valuable equipment. Perfect for a BluRay player, gaming equipment and console, centre speaker, etc. It looks classy with its smoked black glass. You can use more than one support to stack up all your equipment.
